Other ways to participate

Do you or any family members have any special skills that you think could help the Chaverim community (i.e. Torah reader, Hebrew fluency, photographer, accountant, artist, musician, maintenance skills, fundraising, marketing, hobbies, etc.)? If so, please list below and indicate which family member.

Other ways Chaverim can serve you:

Can you think of any ways that we can make Chaverim a better, more inclusive congregation, or ways we can better serve your needs?

Other ways you can help Chaverim:

Do you shop at Safeway? E-scrip is a program that connects your Safeway card number to Chaverim so that a percentage of your purchase will be donated to Chaverim. There is no cost or risk to you. Chaverim is able to register you for this program through your Safeway Club Card number. If you don't know your number though, you will need to get a new Club Card. Just stop using the old card and give us the new number. The e-scrip is renewed annually and up to 3 organizations can share the rewards earned through your purchases. **Please note that your friends and relatives can help us too. Just get their Safeway card number to us so we can register them. We will need their mailing address too.**

Contact Bill Rosenzweig at wrosenz@aol.com or 749-5386 with questions, or just send him your name, address, and Club Card number. If you choose to register yourself go to www.escrip.com and select "Congregation Chaverim" as your charity.

I give my permission for Chaverim to register me for e-scrip.

_____ My Safeway Club Card # is _____

_____ I don't have my card number. I will get a new Club Card.

_____ I am not interested at this time.

Do you ever buy from Amazon.com? If so, please click on the Amazon.com link on our home page (www.chaverim.net). We can earn up to a 6% commission with no extra cost to you. What a great way to buy things and send gifts.

To the best of my knowledge, all of the above information is accurate.
